Account : 0012-0965

Return Policy.

We do not accept returns on glow products, so please choose quantities carefully. It is mindful to note that all our glow products have at least a 2 year shelf life from delivery, so, leftovers can be stored in a cool, dry storage area for future use.

We do not accept returns for the following reason. Glow products are fragile. Inappropriate handling can cause activation of the glowstick with no apparent damage to the packaging. If we re-send these items to another user, and, they don't work, who is to blame.

Ordering Suggestion

From our experience, for school disco's, you will need approximately 30% more items than the number of children. So, if you have 100 children attending, you will need to order approximately 130 items.

Additional Information

Storage: Store in original unopened packaging until time of use. Store in a cool, dry place.

How do I order?

All our orders are processed over the phone by calling 02 9453 5699.
If you prefer that we call you, please drop us an email to belinda@catalinatrading.com.au , or, you can send and SMS to 0407 20 30 10 with your contact details.

Warranty

We guarantee that your glow products are the freshest stock, and, if stored in a cool, dry place, they have a shelf life of at least 2 years in unopened condition.

Safety

All our glow products are manufactured to AS/NZS ISO 8124.

Not suitable for children under 5 years old

Contents of glow products are non-toxic and non-flammable, BUT may stain furniture or clothing. Contact with skin or eyes may cause temporary discomfort. In case of contact, rinse thoroughly with water. Do not puncture the outer tube or drink contents. Outer tube contains a glass tube inside. Caution children not to excessively flex and bend items, as this will cause the outer case to fatigue and eventually leak.

Samples

We supply samples of our products in our distinctive packaging, a tube. This tube contains 1 X glow glasses, 2 X 100mm stick, 2X 150mm stick, 2X 200mm stick, 5X 200mm bracelets and 1X 560mm necklace. The necklace is already activated for packaging purposes but it will give you an idea of the length. Cost is \$15.00 including GST and freight.
